EXECUTIVE DIRECTOR/CHAIRPERSON'S MESSAGE

Having the opportunity to once again address you and to thank you for your continued support of the First Step Scholarship Foundation is indeed my honor and a privilege. On behalf of the Executive Board, the Directors, Members of the Foundation our sincere thanks for allowing us to be able to provide funding for scholarships to college students majoring in the field of science. According to Paulo Coelho "when you want something, all the universe conspires in helping you to achieve it". First Step Foundation concur with this statement.

There are no shortages of charitable organizations in the world today. One chooses to donate where ever and whoever one would like to contribute to. We are very grateful to everyone who makes a conscious decision to donate to the First Step Scholarship Foundation. We do not take your contribution lightly. Your contribution helps to fund the scholarship awards. Everyone associated with the foundation are all volunteers and also contributes their time and money to the foundation.

First Step Scholarship Foundation's vision and mission is to provide funding in the form of scholarship to a subset of African American college students in the area of science to improve said subset representation in this area. It is the desire of the foundation that these students will return to assist their community with new ideas and new learning in science which will enhance and enable the community to grow. Leo Buscaglia stated that "Change is the end result of all true learning" Preparing leaders for the future is imperative to our vision.

This year we will provide \$10,500 in scholarships to students who have met the criteria in the field of medicine, engineering/physics, social work, nursing, and psychology and computer science. Many challenges arose along the way, however we will never lose sight of our mission. "Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world" argued Harriet Tubman.

Thanks to all who donated their time, money, goods to the organization. To all who contributed to the journal by way of placing an ad, those who contributed via Facebook donation site and smile. amazon, we are very grateful. Please remember our efforts continues, therefore we are asking if you could make us a permanent part of your charitable giving yearly. Remember your giving is tax deductible since we are a 501 (c) (3) organization.

Thanks to our volunteers, the contributors of the baskets for the auction and the DJ Derrick for assisting in making this event's success. Thanks to all attendees especially attendees from out-of-state. AHS co-workers thanks for the support.

Be Blessed Always!

"LIFT EVERY VOICE AND SING"

BY: JAMES WELDON JOHNSON

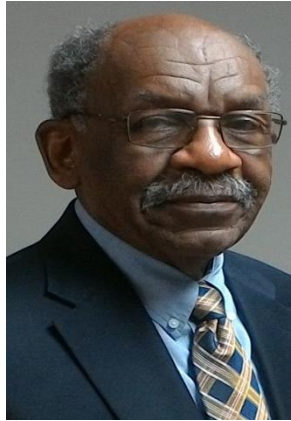

Lift ev'ry voice and sing, till earth and heaven ring,
Ring with the harmonies of liberty; let our rejoicing rise,
High as the listening skies, let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun, Let us march on till victory
is won.

Stony the road we trod, bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet, come to the place for which our fathers sighed?
We have come over a way that with tears has been watered

We have come, treading our path through the blood of the slaughtered,
Out from the gloomy past, Here now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might, Led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee,
Lest our hearts, drunk with the wine of the world, we forgot Thee,
Shadowed beneath thy hand, May we forever stand,
True to our God, True to our native land.

EXECUTIVE DIRECTOR /CHAIR OF FINANCE

Message from William D. Wheeler

Due to your support, the officers of First Step Scholarship Foundation are pleased to be able to continue our quest providing financial support to students seeking higher education. As a New Jersey Nonprofit Corporation and recognized by the Internal Revenue Service as a Nonprofit 501 (c) (3) entity you can be assured that your contributions are tax deductible.

This year First Step Scholarship Foundation is awarding a total of \$10,500 in scholarships. While there were 12 applicants only 9 met the criteria for the awards. However, there is still a great need to provide more financial assistance to qualified students. With your help we can continue to support the higher education of our youth, by encouraging students to major in the sciences.

All innovations of the future are the results of the solid foundations we lay today. Let us not forsake our youth. *"A mind is a terrible thing to waste."* Arthur Fletcher.

First Step Scholarship Foundation is seeking all types of donations and contributions as well as sponsors who are willing to support our efforts in providing more scholarships to students.

Please contact the foundation at firststepscholarship@gmail.com or P.O. Box 2672, Plainfield, NJ 07060.

Thank you for your support.

DIRECTOR OF SELECTION COMMITTEE

It is indeed a pleasure to be a part of the First Step Scholarship Foundation. This Charitable Organization plays a vital role; in assisting with scholarships to students who are pursuing careers in the health Science and Engineering fields. Being a member of the Health science community for greater than 38 years, I realize that it is essential that the students of the younger generation should focus on taking the baton of transforming this vocation.

The author, Hugh B. Price, stated that businesses and community groups should help students succeed by assisting with financial support. Most students, regardless of economic status at times find it difficult in funding their college education. Helping students' calls for financial contribution to the scholarship fund. The scholarship program provides students with the opportunity to assist students in funding there education career.

Your assistance will always be appreciated. Geographical location does not preclude or should not deter you from contributing to a worthy cause. It is always a pleasure to give to those students in need because they are our future. So, I am reaching out to you all to support the First Step Scholarship Foundation by making your donation today.

God bless you all.

**KATHLEEN GARCIA,
RN, BSN, CRRN, CG**

Kathy Garcia is a late bloomer. A single mother, raising two young daughters, Kathy delivered newspapers, worked at McDonald's and as a Nurse's Aide while earning her BSN part time. Kathy was 37 years old when she received her degree, but quickly made up for lost time. Since that time she has worked as a Staff Nurse, Clinical Team Leader, Charge Nurse, Assistant Nursing Care Coordinator, Nurse Manager, Director of Nursing at two long term care facilities and finally a Case Manager at a hospital. She has also somehow found the time to obtain nursing certifications in Rehabilitation and Gerontology, pick up a husband, add a son to her brood and spoil four grandchildren ranging in age from 10 to 13.

Obviously Kathy is an immensely busy woman who has finally begun to enjoy the fruits of her labor, having retired in February this year. Somehow Kathy always found time to support those less fortunate than herself. She always says that she remembers the tough times in her life, so if there is something she can do to make things a bit easier for someone else, she's in. Kathy worked with Dr. Jones-Zeigler with her various charitable projects, CBC Health and Educational Programs. Also Kathy has been a supporter of the First Step Scholarship Foundation from its inception. She volunteers her creative skills in schools and Assisted Living teaching arts and crafts to students and nursing home residents. She loves giving of herself, her skills and her funds to let others feel good.

I am extremely proud of my daughter Danielle Sang, she gave her speech as President of the graduating class of 2018 at Franklin and Marshall College immediately after Senator Cory Booker. She stood tall, and proudly deliver her speech, she was sure of herself. So proud of her accomplishments.

Good luck to all the recipients of the First Step Scholarship Award. You will also make your parents proud. Thanks First Step Scholarship for doing your path to encourage students. Dr. Jones-Zeigler was my mentor ever since I was a girl. She pushes education for all. **Rosetta Sang.**

AN APPRECIATION TO AMANI JOHNSON

This is my tribute to my lovely daughter Amani Johnson. My heart is so full with joy, pride, anticipation and gratitude for the young woman you have become. I could not have asked for a more caring, ambitious, dedicated and loving daughter. You have made me so proud of all your accomplishments. You set your goals high and had a plan to achieve them.

It is only God's grace that kept you pushing towards your goal to become a Medical Doctor. My God, you entered pre-med not worrying about how it would be funded. However, God had a plan how we would fund it and he put scholarships in your way. Yes, you also did your path by keeping your grades up. I have worked sixteen hours per day just to assist in funding your goal, and I am proud to have been of assistance, you knew we couldn't afford your goal and you did your share by working to help.

Thanks to First Step Scholarship Foundation, Dr Jones-Zeigler thanks for creating this foundation. Amani and I are grateful for the foundation's assistance.

Mother

*It's hard to think
Your mother young, teenage and gay
The thoughts she had for love of man
The intimacies she shared
Too private for a child to know
This knowledge still, is hard to take
For mothers are mothers not others.*

*A mother's love and care
Transcend her pains and fears
She listens, internalizes and advises
On subjects few understand
She protects, she corrects, she
chastises
She gets away with many things
For mothers are mothers not others.*

*What of her aspirations and desires
Subsumed no doubt in quests for
others
The often refrain "I do it for my children"
Hides a life pulsating, yet sacrificial
Fulfilling, yet remorseful and accepting
The joys and sorrows her children
bring
For mothers are mothers not others.*
